

CROM[®]

CROM[®] has leveraged the experience, reliability, and resources from over 65 years of being the prominent leader in designing and building Prestressed Concrete Tanks to **expand** into the Infrastructure Repair & Restoration Industry.

MORE THAN

TANKS

CROM COATINGS AND RESTORATIONS (CCR) specializes in the restoration of aging infrastructure. Whether cast-in-place, post-tensioned, or prestressed concrete, CCR develops and implements the best customized solution to restoring infrastructure using our decades of engineering and construction expertise.
